TÁJÉKOZÓDÁS, OSSZEHASONLÍTÁS

Segíts a mókusnak megtalálni az odújához vezető utat! Két út vezet az odú közelébe: egy hosszabb és egy rövidebb. Előbb haladj végig rajtuk az ujjaddal, majd színezd ki a RÖVIDEBB utat pirossal, a HOSSZABBAT pedig zölddel! Színezd ki a képet!
